

Pallet Scissor Lift	\$1,000	Makes it much easier for workers to lift heavy crates of produce
Pallet Scale	\$2,000	Allows us to quickly weigh bulk produce from farmers
Apple/Pear Peeling System	\$10,000	Enables very quick peeling for apple slices, apple chips & quick freezing
Racking	\$15,000	Greatly increases storage capacity and allows us to grow our product lines
Dehydrator	\$15,000	Allows us to expand our line of fruit & veggie chips – apples, pears, strawberries, blueberries, tomatoes, mushrooms & more
Bean Sniper	\$22,000	Instead of sending beans out of state for processing, we could be the only facility in NY to provide this bean snipping service
Squash Peeler/Melon Peeler	\$28,999	Makes preparing products like squash & melons quick & efficient – readily available to Food Banks
Dicer	\$35,000	Enables us not only to chop, but to dice a huge range of produce to meet a big demand for diced food
Corn Tortilla Equipment	\$40,000	Expand our line of tortillas from multi-grain to include corn too.
Vertical Form Fill Seal System	\$40,000	Makes it possible to very quickly & efficiently weigh, package and seal products like apples and apple slices
Apple Slicing/Bagging System	\$68,000	Streamlines the apple slicing & packaging process to allow us to increase volume and meet a higher demand
Quick Freeze Equipment	\$500,000	Enables us to freeze a huge variety seasonal produce and make it available year-round to schools, hospitals and food banks
